Introduction

1 Why intercultural creativity

The creative potential of your employees drives the value and success of your company.

Applying Intercultural Creativity

2 What is intercultural creativity?

Intercultural creativity is a hybrid of creative thinking and cultural competence.

3 Becoming more creative

A company's greatest source of creativity is hidden among their employees.

4 Advancing cultural competence skills

In order for your team to be more interculturally creative, you need to know how to develop their cognitive skills.

5 Stages of development

Creative development happens in stages.

6 Creativity through curiosity

Allowing your team to be curious will enhance their creative skills.

Conclusion

7 Start building!
